 - if the Record to which access is requested holds information about a third party.
- THIRD PARTIES: Should the Request for Access affect a third party, then such third party must first be informed within 21 (twenty-one) days of receipt of the Request for Access. The third party would then have a further 21 (twenty-one) days to make representations and/or submissions about the granting of access to the Record. In the event the request is denied by the third party, Bidvest cannot be held responsible.

Decision on Request:

If no extension period or access fee deposit is needed the Requester will be notified by the Information Officer within the required period of the decision on their Request for Access.

If the Request for Access to a Record is successful, the Requester will be notified of the following:

- The amount of the access fee payable upon gaining access to the Record (if any);
- An indication of the form in which the access will be granted;

If the Request for Access to a Record is not successful, the Requester will be notified and given adequate reasons for the refusal (refer to the Grounds for Refusal below).

The Information Officer will in addition inform the Requester of their right to lodge a complaint with the Regulator or an application with a court against the decision.

14. GROUNDS FOR REFUSAL OF ACCESS AND PROTECTION OF INFORMATION

There are various grounds upon which a Request for Access to a Record may be refused. These grounds are set out in Chapter 4 of Part 3 of PAIA and include:

- the protection of personal information of a third person (who is a natural person) from unreasonable disclosure;
- the protection of commercial information of a third party (for example: trade secrets; financial, commercial, scientific, or technical information that may harm the commercial or financial interests of a third party);

- if disclosure would result in the breach of a duty of confidence owed to a third party;
- if disclosure would jeopardise the safety of an individual or prejudice or impair certain property rights of a third person;
- if the Record was produced during legal proceedings, unless that legal privilege has been waived;
- if the Record holds trade secrets, financial or sensitive information or any information that would put us at a disadvantage in negotiations or prejudice it in commercial competition; and/or
- if the Record holds information about research being carried out or about to be carried out on behalf of a third party or by the Group company.
- if all reasonable steps have been taken by Bidvest to find the Record requested by the Requester and the same cannot be found for reasons justifiable as per section 55 of PAIA, the Information Officer shall provide an affidavit or affirmation to the Requester advising that it is not possible to give access to the Record requested. The affidavit or affirmation will follow the requirements of section 55(2) of PAIA. In the event the Record is later found, Bidvest undertakes to contact the Requester to gain access to the same, after the payment of the applicable access fee.

15. REMEDIES AVAILABLE TO A REQUESTER

There is no internal right of appeal against the decision of the Information Officer.

The decision of the Information Officer is final and a Requester or a third party will have to exercise external remedies.

The external remedies are in terms of section 56(3) (c) and 78 of PAIA where the Requester can lodge a complaint with the Regulator or apply to court for relief, within 180 days of notification of the decision.
